Our Topics this term are:

1: Stories that Jesus heard

We will be reading parables from the Old Testament and thinking about the stories that Jesus heard when he was a boy.

2: Growing

We will be doing lots of planting and thinking about what plants need to grow. We will also be getting some caterpillars and watching them closely as they turn into butterflies.

3. Holidays

We will talking about all different kinds of holidays. We will be turning our rôle play area into an aeroplane and we also have our class trip to the Aviation Park.

How to help your child at home

Topic 1 Encourage your child to re-tell the stories that they hear in class.

Topic 2 When out walking have a look at what grows, and remind your child not to pick the flowers.

Topic 3 Talk about a holiday you might have been on or a holiday that you might be going on.
