school dates.

Roof Works

You may remember a few weeks ago we informed you that school will be having a new roof.

The roofing works will begin on Monday 24th July and last until approximately Friday 27th October 2017. This will mean that there will be disruption to staff, parents and pupils in gaining access to the school site as the works will be continuing throughout the first half term in the Autumn. Entry and exit points to the school will have to change during the works due to scaffolding being put up, but we will keep you updated with where to drop off and collect your child throughout the works. We apologise for any inconvenience this may cause, but we would very much appreciate your patience and understanding during this time.

For the first week of school in September (and until further notice) please see the separate sheet with entry and exit routines on. If you are going around the back of school you need to access the site through the 'top gate' off Brookland Ave. Also if your child is being dismissed from door 1 at the end of the day you need to wait on the playground. Thank you.

Leavers

Goodbye and good luck to our wonderful Year 6 pupils who leave us today to embark on their exciting adventure to high school. We wish them lots of luck for their futures and we look forward to seeing them again as they come and share their success stories with us. Also, goodbye and good luck to Mr Widdowson, Mrs Heywood, Miss Fisher, Mrs Hyde and Mrs Wilkinson as they leave us today to begin their own new adventures! They will all be sorely missed by staff and pupils.

Reports

Thank you to all the parents who returned the report reply slips, all the comments were extremely positive and we are looking forward to working with you and your children in September.

We would like to wish all our families a very enjoyable summer and we look forward to seeing you all again on Tuesday 5th September for the new academic year.
