Our 'Calendar' is updated on a regular basis with important school dates.

## Boccia Competition

On Thursday a group of our Year 3 and 4 pupils attended a Boccia competition at The Orchards, where they competed against other local primary schools. The children were amazing, they displayed determination and team spirit throughout the competition and went on to win. The children will be presented with their medals and certificates in our next celebration assembly. Well done!!

## DT Super Learning Week

This week in school it has been DT Super Learning Week. The children have designed and created some amazing products using lots of different materials and tools. It was great to see so many parents join our Stay and Learn sessions at the beginning of the week and we received some excellent feedback. We hope to see many of you at our DT open afternoon today at 2:45pm where the children will be showcasing their products. We would like to take this opportunity to thank you for your continued support.

## Safer Internet Day

We will be supporting Safer Internet Day in school on Tuesday 5th February. The children will complete a range of activities focusing on online safety and working together for a better safer internet. Keep a look out on our Facebook page. If you would like more information please visit:

## Reminder

We are still experiencing lots of problems in our cloakroom areas due to large school bags/backpacks. If you need to replace your child's school bag could you please replace with a 'book bag' style bag. The book bags are small enough to fit into the children's trays if needed which means we will reduce the number of bags in the cloakrooms. The welfare and safety of our children is of the utmost importance to us.
