ST JAMES CHURCH

It is with sadness that we found out on Monday that the grounds of St James Church has been vandalised, and very significantly so on the inside. A police officer came to school to inform us of the news, but the worst part being that it looks like young children, particularly of older primary school age or start of high school, are predominately responsible. We really hope that none of our school family have played a part in this. We ask that you as parents are extra vigilant about where your children are playing, as the church grounds could prove dangerous. Also, if you have any information as to who might be responsible then please contact the community police officers. The police did inform us that if any children were caught vandalising the premises then they would be in a lot of bother, and older children could be prosecuted. It is important that we work as a community to ensure the safety of our children but also to prevent any further damage to the premises.

Thank you.

HOMEWORK

BOOKS

I hope you agree that the quality of our new homework books, with the logo on the front, is much better than previous years. Please help your child to look after their homework book and return it to school every Tuesday. As the homework books are personalised they do cost more than usual exercise books. Therefore, if any books are lost we will ask parents for a contribution of 50p to replace it. Thank you for your support.

STAFFING

Miss Fisher leaves us next week to start a new adventure in Scotland! We wish her lots of luck for her future. Thank you for all of your hard work!

St James' Shining Stars

September Attendance

Next week your child will come home with a piece of coloured card, this represents their attendance for the month of September. Green indicates that your child attended school as expected, yellow means that improvement is required and red is for poor attendance. Please support us with this matter.
