

# Dream, Believe, Learn, Achieve!

## Nursery

If your child is in school we have snack everyday. Please send £1.50 each week.

Welcome to the Nursery room at St James. We cannot wait to spend time with you and your child. Please speak to any of us if you have any questions or queries, we are always here to help.

Mrs Finch

Mrs Hargreaves

Mrs Oomer

Mrs Patel

### RE topics

We will be thinking about:  
Eid and Stories that Jesus told

This term we will be reading stories that will develop our interests in different animals as well as continuing to develop positive attitudes about the differences between people and understanding the key features of the life cycle of an animal.

If your child is in school please remember to bring a water bottle everyday and some wellies to keep in school so your child can play out in the sand pit and on the grass. PE is on Thursday please make sure children have

### Stories and experiences to develop children's curiosity of the world we live in.

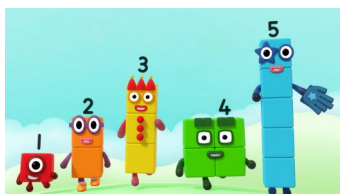

This term we will be looking at lots of animal books to know that there are different countries in the world and talk about the differences they have experienced or seen in photos. as well as getting a range of non-fiction books from the library loan service. A lot of the books contain 'rhyme' as we want to develop their phonological awareness so that they can spot and suggest rhymes as well as developing their phonological awareness so that they can recognise words with the same initial sound.

### Nursery Rhymes

We are still singing nursery rhymes everyday and will be using percussion instruments to tap out beats to the rhymes. Nursery rhymes are so important and being able to sing a selection of them will really help your child with the first stages of reading by themselves.

### Maths

We are using 'master the curriculum' to help children build their confidence with all areas of maths such as problem solving, reasoning and fluency. Alongside this we will also look at the numberblocks episodes to support your child's understanding of numbers.

Everybody who has internet access has been sent the link to Tapestry. Please make sure that you have clicked on this link and are now set up. We use Tapestry not only to post observations and videos of your child's development but also to send you messages. Please let us know if you are having any problems with it.

Please follow us on Facebook @stjamesfarnworth where you will see lots of photos of what we have been doing. 'Friday News' our weekly newsletter, is also published on here and on our school website page
